

Amateur Radio Support — ESG - Rochester

Hello,

It is that time of year again. We are signing up volunteers for the Empire State Games. We are sending this letter early so that you may reserve the date.

The games this year will be held in Rochester from July 26th to July 30 (opening ceremonies are the evening of July 26th .) If you can work at any time during these dates, please fill in the form at the bottom of this page and send it back by June 15th so that we can begin scheduling. Any time you can give whether it is two or three hours, a day or all four days is greatly needed and appreciated.

For those traveling from outside the Rochester area, and who will be working several days, housing will be provided. Please reply as soon as possible to be sure there is a room available for you. If you will be staying in Games housing, you will need to bring your own sheets, pillows and towels.
